BEAUTIFICATION COUNCIL

Job Readiness Program

Disrupting the Cycle of Blight
and Homelessness

HISTORY

The Beautification Council began in 2014 with a clear vision and mission to restore the quality of life for Californians. We are focusing on violence prevention, significantly disrupting the cycle of blight and homelessness as Micro Cleaning Experts through our initiatives, increasing pride and restoring the beauty of communities, cities, counties, and the State. Through our innovative job readiness program, we are empowering the unhoused and justice-impacted to economic stability and housing.

PROGRAM OVERVIEW

- No experience required or work history
- 16-Week paid job readiness training
- Paid orientation
- Earn \$22 + per hour while gaining experience
- Connectivity to employment and housing
- OSHA training & certification
- CPR and First Aid training & certification

"Building People & Beautifying Communities"

MICRO CLEANING SANITIZATION

Micro Cleaning Sanitization is a 9-step proprietary cleaning process removing litter, trash, illegal dumping, pathogens, and sanitizing with EPA-approved biodegradable solutions that kill germs. Individuals enrolled in the Beautification Council job readiness program develop hard and soft skills that are transferable into many different industries and become a Micro Cleaning Sanitization Expert.
